

CONFERENCE INTRODUCTION

- **2018 4th International Conference on Biotechnology and Agriculture Engineering (ICBAE 2018) Okinawa, Japan, March 28-30, 2018.** ICBAE 2018 is sponsored by the Hong Kong Chemical, Biological & Environmental Engineering Society (HKCBEEES)
- The primary goal of the conference is to promote research and developmental activities in Biotechnology and Agriculture Engineering. Another goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working in Japan and abroad. ICBAE will be held every year to make it an ideal platform for people to share views and experiences in Biotechnology and Agriculture Engineering and related areas.
